

Easy 4-Step Instruction

1

UNBOX

your mattress in the room where it will be use.

2

UNWRAP

your mattress by cutting the outer layer of plastic.

3

UNFOLD

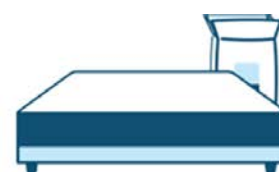

your mattress on a solid surface for full & even expansion.

4

UNWIND

Allow 24-48 hours for the mattress to regain full shape.

Note: You should remove your **Le Soleil** mattress from its box and puncture its vacuum seal within three days. While all foams take well to compression, leaving it in a compressed state for too long could damage your mattress.
